

*We're neighbors working with neighbors.  
And when we all work together, everyone in  
the community benefits.*

Project Mend-A-House - with the support of our community and many, many wonderful volunteers - has been able to assist the disabled, senior and low-income in our community to remain safely and independently in their homes for more than 25 years.

Thanks to our volunteers, who are the heart of the organization, clients have increased mobility, accessibility and safety. Volunteers have built dozens of ramps, modified doorways, secured flooring, repaired leaky faucets, restored electricity and made vast home improvements. Outside improvements have made our clients homes more aesthetically pleasing; shrubbery has been trimmed, brush removed, lawns mowed, and fresh coats of paint applied. And the best part- these repairs are being completed in a timely fashion and free of charge - thanks to you.

Our volunteers assist over 143 clients with 450 projects each year. Thanks to you who care - our business partners, civic and faith-based organizations, volunteers and financial supporters - Project Mend-A-House will continue to restore the dignity of all so that our neighbors may remain in their homes.

To our friends participating in and or otherwise supporting the 2012 PMAH golf tournament, your participation and donations will help PMAH continue to change lives. **Thank you!**
